CONSTRUCTION OR DEMOLITION? YES \_\_\_\_\_ NO \_\_\_\_\_

WILL DUMPSTER BE LOCATED ON STREET? YES \_\_\_\_\_ NO \_\_\_\_\_

Location of Dumpster on street shall only be permitted by Police Chief subject to the following conditions:

1. The dumpster shall be placed no further than six inches (6") from the curb to the inside corner of the dumpster and must allow for the safe passage of vehicles.
2. The dumpster shall be equipped with operating flashing lights on each of the outside corners or light equipped barricades used to ensure vision of this obstruction to motorists at night.
3. Two-inch thick lumber shall be placed under the wheel loads, with the minimum width of lumber being the width of the wheel.
4. The repair of any damage to pavement or curbing resulting from placing, using or removing the dumpster shall be the responsibility of the applicant and shall be performed to the satisfaction of the City.

Dumpster permits shall have a term of 60 days renewable in 30-day increments by the Building Inspector.
